

JIMMIE JOHNSON FOUNDATION
REPORT TO THE COMMUNITY
2006-2008

The Jimmie Johnson Foundation is dedicated
to assisting children, families and communities in need.

January 2009

As we compiled this report, it was amazing to see what we have accomplished in the first few years of the foundation. None of this would have been possible without the amazing support of our families, friends, fans, and corporate partners who believe in the work of the Jimmie Johnson Foundation. Thank you!

The past three years have been championship years, both on and off the race track. Together, we have built places to play and places to live. We have helped save tens of thousands of lives through blood collection and by adding individuals to the National Marrow Donor Program Registry®. We have had the opportunity to grant the wishes of children and adults in need. It has been truly magical.

We are thrilled to share that we have contributed more than \$1.7 million to various organizations since our inception in 2006. In addition to our work on a national level, we have begun to make an impact in my hometown of El Cajon, CA and where we now call home in Charlotte, NC. We look forward to beginning our work in Chandra's home state of Oklahoma, and we can't wait to see what the future holds.

Thank you again for partnering with the Jimmie Johnson Foundation. It truly is the fastest way to make a difference.

Sincerely,

A stylized, handwritten signature in blue ink, reading "Jimmie Johnson".

Jimmie Johnson

A stylized, handwritten signature in blue ink, reading "Chandra Johnson".

Chandra Johnson

VICTORY LANES

The Jimmie Johnson Foundation made its first grant to the Victory Junction Gang Camp, a camp for children with chronic and life-threatening illnesses. The camp was founded by Pattie and Kyle Petty in honor of their son Adam Petty, who raced with Jimmie. The camp provides its services free of charge.

The Jimmie Johnson Foundation committed the funds to build *Jimmie Johnson's Victory Lanes*, a four lane state-of-the-art bowling center. This 5,100 square foot facility allows children to experience the joy of bowling their first strike in the comfort of a medically safe environment.

The grand opening for *Victory Lanes* took place on March 23, 2007. The anniversary celebration was held a year later. We continue to hear stories of joy that the bowling center brings to campers and their families, and we look forward to returning each year to celebrate.

Making Wishes Come True

One of the highlights for Jimmie is granting wishes for children and adults. The Johnsons work closely with the Make-A-Wish Foundation of America. Since 2005, Chandra and Jimmie have served on the National Advisory Council. In addition, Jimmie grants numerous wishes at the race track each year.

The foundation also hosts an annual *Wish Lunch* at Hendrick Motorsports to honor requests from a variety of wish granting organizations, including Kids Wish Network and the Dream Foundation. *Wish Lunch* attendees enjoy lunch with Chandra and Jimmie and a behind the scenes tour of the race shop.

"Sam was diagnosed with Ewing's Sarcoma in October 2007. When we found out that it might be possible for Sam to attend the luncheon and actually meet Jimmie, he was overjoyed. The luncheon itself was like a dream. It was great to see Jimmie take the time to brighten so many people's lives. Sam is proudly wearing all of the stuff that Jimmie signed for him...When Sam had his port installed to be able to receive chemotherapy, he also had bone marrow taken from his pelvic area. It was an extremely painful procedure and he couldn't really walk afterwards. We promised him that as a reward for going through the surgery he could get a new Jimmie Johnson hat. He knew that he would be wearing it a lot over the next seven months when chemotherapy started and he lost his hair. During the months of chemotherapy, watching the races gave Sam something to look forward to. The races are interesting because Sam is rooting for Jimmie and his dad is a Jeff Gordon fan. As parents, we are proud to have Sam be a fan of someone with as much class and character as Jimmie Johnson."

- Susan, Sam's mom

“ We cannot provide our dream recipients with a cure right now, but we can dramatically impact the quality of their lives with the joy of making their dreams come true. **”**

- Michelle, The Dream Foundation

The Jimmie Johnson Foundation is committed to giving back in the Johnsons' respective hometowns. Jimmie grew up in El Cajon, CA, just outside of San Diego.

On the heels of the success of building *Victory Lanes*, the Johnsons were drawn to projects that allowed them to participate in rolling up their sleeves and being an integral part of the building process. And what better project than to build a home, and hope, for a family in need.

The Jimmie Johnson Foundation partnered with San Diego Habitat for Humanity (SDHFH) in February 2007 and embarked on a mission to identify land to build a home in El Cajon, CA. SDHFH has helped 100 local families throughout San Diego County achieve the American dream of homeownership. Ultimately, the foundation and SDHFH identified a parcel of land that would accommodate four homes. In 2007, the foundation contributed the funds to build the first two homes and to assist with the purchase of the land. In 2008, the foundation committed the funds for the remaining two homes. As a result, Chandra and Jimmie had the opportunity to name the newly created street, *Foundation Lane*.

August 26, 2008 was a very special day when Chandra and Jimmie handed the keys to the first family to live on *Foundation Lane*. The second home will be complete in Spring 2009, and the family has already been selected. The final two homes are expected to be completed in the Fall 2009.

Special thanks to our many in kind partners and volunteers who have helped to make these homes a reality.

Meet our First Family

Carol McDaniel and her three children, Vanessa, Isaiah and Natasha, are the proud homeowners of 481 Foundation Lane. Carol works for the City of El Cajon Police Department. Her new home allowed her family to move from the apartment complex where safety and flooding were major concerns. Carol, her family and her co-workers came out in force to provide the 250 hours of sweat equity necessary to complete their new home.

The McDaniel's house is 1280 square feet with three bedrooms and 1 ¾ baths. Solar panels, which were donated for the home, will meet 70% of the family's electrical needs. This is the first home that SDHFH has built with solar panels. The house also has a tankless water heater.

Carol McDaniel
in her own words

“

It feels amazing to know that this is my home... I will appreciate every board and nail we put into this house and know how much it meant. This is a dream come true. I didn't know there were people like this. People who just gave so much of themselves to change our lives and give a better future for my children. Thank you so much.

”

Annual Golf Tournament

Presented by

The foundation's signature event is the Jimmie Johnson Foundation Annual Golf Tournament presented by Lowe's. The tournament is held each fall in Southern California prior to the race at Auto Club Speedway in Fontana, CA.

In its first two years the event has raised more than \$1 million. Proceeds from the event benefit San Diego Habitat for Humanity. The event features more than 250 guests who come from across the country to attend the celebration. The tournament begins with a dinner and auction the night before and has included special musical guests Gavin DeGraw and Nick Lachey. The live auction has featured items such as a Jeff Gordon fire suit, Jimmie's race winning helmet, a Garth Brooks concert experience, an Auto Club Speedway VIP package, and a fishing trip on a private yacht. Golfers gather the next morning for a day of fun on the course.

Celebrity attendees have included:

Nick Lachey
Gavin DeGraw
Brian Vickers
Casey Mears
Juan Pablo Montoya
Rib Hillis
Rick Hendrick
Vanessa Minnillo

Jeff Gordon
Marcus Giles
Tommy Kendall
Skeet Ulrich
Chris Pronger
Bobby Labonte
Kyle Petty
Rick Johnson

In 2006, the Jimmie Johnson Foundation partnered with the Hendrick Marrow Program and The NASCAR Foundation to create The NASCAR Foundation Annual Blood and Marrow Drive. Held on or around September 11th at tracks and various locations nationwide, the drive helps meet the increasing demand for blood and marrow donors in this country.

On any given day, more than 38,000 blood donations are needed and more than 6,000 children and adults are searching for a marrow match on the National Marrow Donor Program Registry® (NMDP). Over the past three years, the potential number of lives saved through the drive has tripled.

In 2008, Nationwide Insurance and the Nationwide Foundation joined the drive as title sponsors of the event.

ROLL UP YOUR SLEEVES. HELP SAVE A LIFE.

	2006 Successes	2007 Successes	2008 Successes	% Increase (2006-2008)
Participating Tracks	14	24	28	100%
Pints of Blood	2,001	3,410	4,417	120%
Members Added to NMDP Registry	650	1,031	4,584	600%
Potential Lives Saved	6,653	11,261	17,000	155%

HELMET OF Hope

In 2008, the Jimmie Johnson Foundation introduced the Helmet of Hope initiative. The Helmet of Hope allows fans and media members across the country to nominate their charity of choice to be featured on Jimmie's helmet. Twelve charities were selected from more than 400 nominations to join Jimmie's charity of choice, San Diego Habitat for Humanity, on his helmet.

2008 Helmet of Hope Charities

- Alex's Lemonade Stand
- American Diabetes Association
- Breakthrough Manchester
- CaringBridge.org
- The Children's Fund for Glycogen Storage Disease Research
- Classroom Central
- Friedreich's Ataxia Research Alliance (FARA)
- Monarch
- National Multiple Sclerosis Society
- Nationwide Foundation
- San Diego Habitat for Humanity
- STEP Inc.
- St. Jude Children's Research Hospital

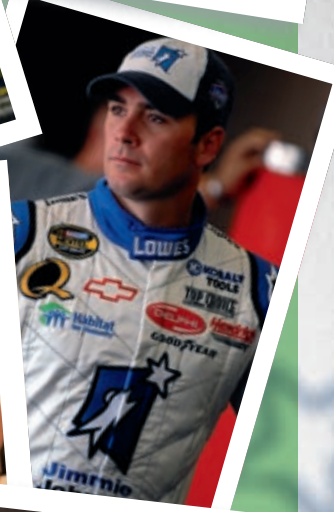

“It started with an exciting phone call telling us that Jimmie & Chandra selected Alex's Lemonade Stand. My grandkids have not been the same. We re-listened to the message and I forwarded them all the emails. The excitement continued right up and beyond Victory Lane. Everyone was watching the entire weekend for anything Jimmie and to see if he mentioned the Helmet of Hope. As you learned, there are many small charities who need help and national recognition. I too learned about the various charities, many of which I was not aware of.”

– Merryyn, Philadelphia, PA

On Track with the Jimmie Johnson Foundation

Thanks to our many generous partners and friends, the Jimmie Johnson Foundation has had the opportunity to generate awareness and raise funds on the race track.

Lowe's has graciously featured the Jimmie Johnson Foundation on the No. 48 Lowe's Chevrolet in a NASCAR race each season. Auto Club Speedway has offered a Jimmie Johnson Foundation ticket package for three years running. In addition, Phoenix International Raceway generously named the Camping World West race the Jimmie Johnson Foundation 150. And in 2008, Jimmie piloted the Jimmie Johnson Foundation car in his debut in a dirt car in the Prelude to the Dream at Eldora Speedway. These opportunities allow the foundation to further our mission of helping children and families in need.

Ride of a Lifetime

Each year, Jimmie offers the chance for ten individuals to take the ride of a lifetime as he drives the No. 48 Lowe's Chevrolet for 10 laps around Lowe's Motor Speedway. The experience includes photographs and a DVD of the ride. Passengers can listen to Jimmie via a two way radio as he describes the turns and banking of the track.

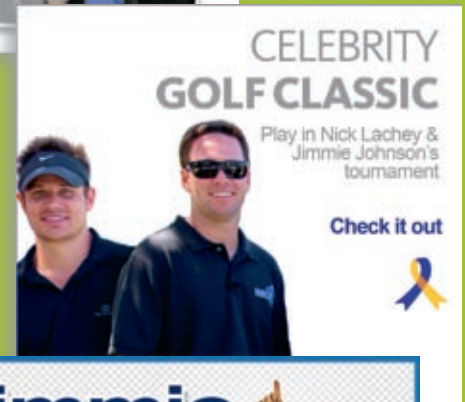

Special thanks to the Jeff Gordon Racing School and Lowe's Motor Speedway for making this event possible.

eBay Giving Works

In conjunction with the foundation launch in February 2006, the Jimmie Johnson Foundation created an eBay Giving Works auction site at www.ebay.com/jimmiejohnsonfoundation. Jimmie, Chandra and foundation staff gathered unique, collectible items to be signed and posted on the site. To date, more than 1,000 items have been auctioned raising nearly \$300,000 for the foundation.

From Team Lowe's Racing weekend hats, to Championship memorabilia, to experiences to meet Jimmie and Chad, the site offers something for everyone. In our growing partnership with eBay Giving Works, the foundation has also had the opportunity to have multiple eBay home page promotions to generate additional exposure for the foundation.

To date, more than 1,000 items have been auctioned raising nearly
\$300,000
for charity

**Special Thanks to our
Corporate Partners
Including:**

TEAM CHEVY

From the Executive Director

I am pleased to present our first annual fundraising report for donations made from January 1, 2007 through December 31, 2007. As we compiled this information, it was incredible to note we have received donations from nearly every state in the nation.

The letters and stories that accompany the gifts we receive, big and small, continue to fuel our work at the foundation. Our partnerships with Habitat for Humanity, the Victory Junction Gang Camp, Make-A-Wish and the Hendrick Marrow Program have struck a chord with many of you. We are grateful for your support to help continue our work.

It goes without saying that the majority of donations we receive include some denomination of the No. 48. We are grateful for the many Jimmie Johnson fans, and NASCAR fans in general, who support the work of the Jimmie Johnson Foundation.

Thank you for making the past three years championship years for children and families in need.

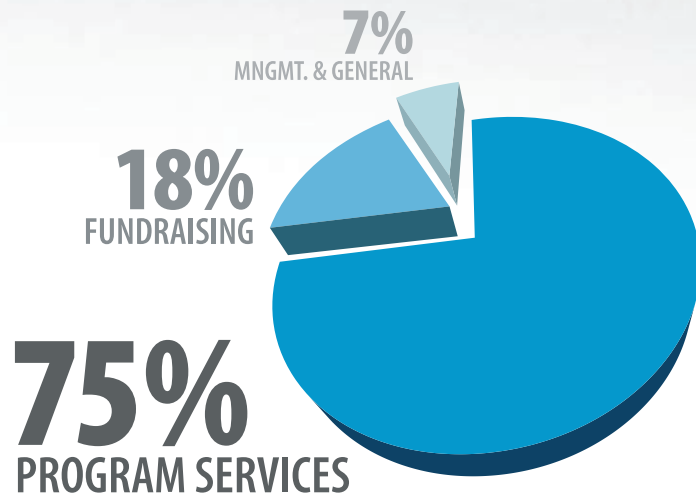

Best wishes,

A handwritten signature in black ink that reads "Mary Barr".
