

JIMMIE JOHNSON FOUNDATION
REPORT TO THE COMMUNITY

Volume
2

The Jimmie Johnson Foundation is dedicated
to assisting children, families and communities in need.

We are humbled and amazed by what we have been able to accomplish through the Jimmie Johnson Foundation. The foundation's success is a direct result of the support from our family, friends, fans and corporate partners. We can't thank you enough for everything you have done!

From a state-of-the-art bowling center to four Habitat for Humanity homes to education grants nationwide, we are very proud of the impact we have been able to make in the lives of children and families. We are thrilled to share that we have contributed more than \$3 million to various organizations to date.

Thank you for partnering with the Jimmie Johnson Foundation. Together, we are building a better future.

Sincerely,

Jimmie Johnson

TOOLBOX FOR EDUCATION[™] LOWE'S

In 2009, the Jimmie Johnson Foundation partnered with Lowe's to create the Jimmie Johnson Foundation/Lowe's Toolbox for Education Champions Grant program. In its inaugural year, the Jimmie Johnson Foundation distributed more than \$922,000 to K-12 educational programs in Jimmie and Chandra's hometowns in California and Oklahoma and where they currently live in North Carolina. The foundation is committed to providing educators and parents with the tools necessary to enable children to succeed.

Through the Jimmie Johnson Foundation/Lowe's Champions Grant process, schools apply for grants to build new projects, enhance existing programs or create new ones. We are honored to be able to help meet the growing needs of today's public schools.

"On behalf of Muskogee Public Schools and the entire Muskogee community, thank you for your generous grants to our teachers. Your incredible kindness will have a profound effect on our schools. Creative projects that will enhance our students' educational experiences are already underway on our campuses. I am sincere when I tell you that the staff of Muskogee Public Schools and I deeply appreciate what the Jimmie Johnson Foundation has done for our students."

Michael Garde, Superintendent of Muskogee Public Schools

The Jimmie Johnson Foundation funded the construction of four single-family homes on the newly created *Foundation Lane* in El Cajon, California. Chandra and Jimmie and the foundation team worked alongside the San Diego Habitat for Humanity staff through the duration of the project, including land selection, permitting, design, construction, and a block party celebration when the homes were complete.

Each home is approximately 1,280 square feet with three bedrooms and 1¾ baths. Several Jimmie Johnson Foundation partners came on board to assist with the construction process. Lowe's contributed building materials and volunteers, Iron Horse Grading provided the grading work for the site, Samsung generously donated the washers, dryers and dishwashers for each house, and the employees of Jimmie Johnson Kearny Mesa Chevrolet volunteered on the site, to name a few.

A special thank you to all of the in-kind partners and volunteers who made the dream of homeownership a reality for the families on *Foundation Lane*.

One of the highlights for Jimmie is granting wishes for children with life-threatening medical conditions. He has the opportunity to grant several wishes at the racetrack each year through the Make-A-Wish Foundation®. In addition, Chandra and Jimmie have served on the Make-A-Wish® National Advisory Council since 2005.

The foundation also hosts an annual Wish Lunch to accommodate other wish-granting organizations for children and adults including the Dream Foundation, Kid's Wish Network, the Granted Wish Foundation and more.

A program of
Be The Match FoundationSM

The Jimmie Johnson Foundation supports the Hendrick Marrow Program's Annual Learn Live Hope golf tournament and Racing to Save Lives half marathon 5k and 1k races. In addition, the foundation partnered with the Be The Match Foundation in the NASCAR Pepsi Refresh Campaign competition to win \$100,000 for the Transplant Grants for Kids Program.

VICTORY LANES

The Jimmie Johnson Foundation funded the construction of *Jimmie Johnson's Victory Lanes*, a four lane state-of-the-art bowling center at Victory Junction, which provides camping experiences free of charge to children with chronic and life-threatening illnesses. The bowling center allows these special kids to experience the childhood joy of bowling their first strike in the comfort of a medically safe environment.

HELMET OF **Hope™**

The foundation launched the Helmet of Hope program in 2008 to give fans and media members across the country the opportunity to nominate their charity of choice to be featured on Jimmie's race helmet. Jimmie wears the Helmet of Hope for the fall race at Auto Club Speedway in California. Components of the program have included grants as well as a commemorative T-shirt. To top it off, Jimmie has won the race each time he has worn the Helmet of Hope.

Past Helmet of Hope Charities

“ I just want to say how thankful and blessed I am for your generosity and support. The selection of the Zepp Children's Foundation to your Helmet of Hope Initiative is a great honor and I am overwhelmed with gratitude and incredibly humbled by this opportunity. Thank you for this great acknowledgement. My heart is truly full! ”

Samsung Hope for Children

In 2008, Jimmie joined an all-star team of celebrities and athletes as part of the Samsung Hope for Children program. Fellow participants include Dan Marino, Boomer Esiason and Matthew McConaughey. Each year, the foundation partners with Samsung and Lowe's in a campaign to help children live, learn and thrive.

“ My nephew was diagnosed with Ph+ALL in 2006....We do not want another child to be diagnosed with cancer and suffer through chemo and radiation. Featuring St. Baldrick's Foundation on Jimmie's helmet will bring much needed attention to this cause. ”

Annual Golf Tournament

Presented by

The foundation's signature fundraising event is the Jimmie Johnson Foundation Annual Golf Tournament presented by Lowe's. The event is hosted each fall at The Grand Del Mar in San Diego, California.

The tournament kicks off with a dinner, auction and special performance on Tuesday night.

Past performers have included Gavin DeGraw, Nick Lachey and comedian John Pinette. The next day, golfers gather for a day of fun in the sun complete with Callaway gift bags and their very own forecaddie.

More than \$1.3 million in proceeds from the event have been contributed to the San Diego community.

On Track with the Jimmie Johnson Foundation

Thanks to the generosity of our sponsors, partners, fellow drivers and friends, the Jimmie Johnson Foundation logo has now been carried on a Sprint Cup car, a Nationwide Series car, a Camping World Series East car, a Funny car, a dirt Late Model stock car, and a Pace car.

Ride of a Lifetime

Jimmie offers the chance for ten individuals to take the ride of a lifetime as he drives the No. 48 Lowe's Chevrolet for 10 laps around Charlotte Motor Speedway. The experience includes photographs and a DVD of the ride. Passengers can listen to Jimmie via a two-way radio as he describes the nuances and banking of the track.

Mary Barr, Executive Director
Christy Orr, Foundation Coordinator

From the Executive Director

I am pleased to present the Jimmie Johnson Foundation Report to the Community Volume 2. It has been an incredibly fun project to pull together this report. As we wrote the narrative and selected the pictures, it was amazing to think about the past several years and what we have accomplished. It would not have been possible without your support and generosity.

The fundraising programs we began at the inception of the foundation have really taken shape. In addition, our partner programs have allowed us to support children and families in need in a variety of ways, from granting their wishes, to putting roofs over their heads, to ensuring they have the tools they need to succeed in school.

I am honored to serve as Executive Director of the Jimmie Johnson Foundation. I tell people on a daily basis I have the best job in the world. If there is anything I can do for you, please don't hesitate to contact me.

Best wishes,

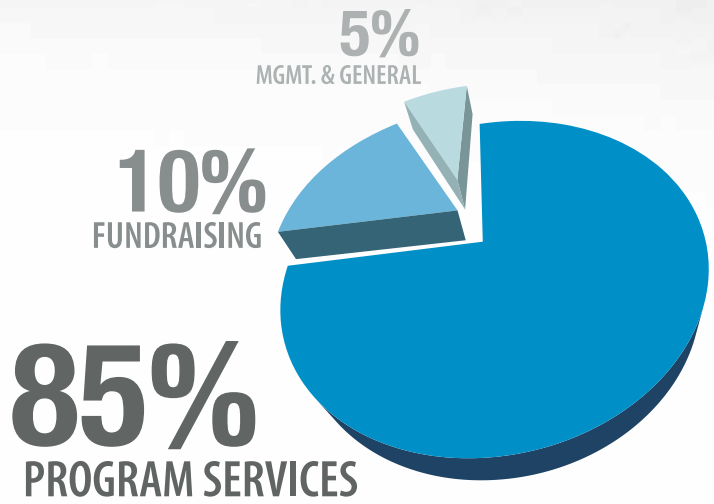

A handwritten signature in black ink that reads "Mary Barr".
